West Staunton Land Company.

Recently several gentlemen purchased sixty acres of the land of the "Steep Hill" tract, near the Fair Grounds, owned by Col. John L. Peyton, at the price of twenty-seven thousand dollars, ($450 per acre) the object being to lay it off into streets and lots, and for building houses and selling lots. The land thus purchased is in the angle formed by the Fair Grounds avenue and the Parkersburg pike, running along the first about one-fourth of a mile, and the latter a greater distance.

On the 10th instant, Judge McLaughlin, of the 13th Circuit, granted a charter for the Company entitled as above, formed for the development of this enterprise and other purposes. The Company capitalizes the stock at $75,000 in shares of $100 each. Following are the officers named in the charter, which was placed on record in the Circuit Court Clerk's Office of Augusta county yesterday:—Wm. H. Weller President; C. C Berry, Vice-President; M. M. Robertson, General Manager; W. W. Robertson, Secretary and Treasurer; A. M. Henkle and Guy Cochran, Directors, who, with the other officers named, constitute the Board of Directors. The chief office is to be in Staunton.
